

Behavior Scripts & Redirection

Calm, consistent language for common classroom moments + family follow-ups.

In-class scripts

- **Low-level chatter:** "Voices at level 1. If you're finished, start the next step."
- **Off-task:** "Right now the expectation is _____. Show me you're ready by _____."
- **Refocus break:** "Take two minutes at the reset spot; then rejoin and try again."

Family note micro-templates

- **Celebration:** "{{Student}}" supported a classmate today by {{action}}—we're proud!"
- **Follow-up:** "We practiced a quick reset routine to help with focus. At home, please review the ready-to-learn checklist."
